Ashland Community and Technical College, in partnership with local elementary and secondary schools, is in the process of planning a FIVCO Area Science & Engineering Fair.

This fair will be open to all students, grades 4-12.
For judging purposes, the students will be divided as:

4th and 5th grades

6th through 8th grades

9th through 12th grades

Awards will be presented to the top performers in each of the divisions.

Students may choose to enter projects about science or engineering.
